26701 NE Cherry Valley Road
Duvall, Washington 98019
(425) 844-4750

www.cv.riverview.wednet.edu

Welcome to Cherry Valley Elementary, Home of the Cheetahs! Cherry Valley is a K-5th grade school of 525+ students and 62 staff members. We are very proud of our students, our families and our community. We know that you will find that Duvall is a wonderful small town with many opportunities for families to learn and grow together.

At Cherry Valley Elementary, we often use the words “be the best you can be” to help our students understand our expectations. Whether we are talking about our behavior at recess, in the cafeteria, in the classroom, or on a field trip, we want our students to show their best selves and to do their very best work each day.

This year, we are excited about 2 new programs. We are using the Character Counts! curriculum to teach our students 6 pillars of character: trustworthiness, respect, caring, responsibility, fairness and citizenship. We also are encouraging our Dads to volunteer in school one day per year with a program called Watch D.O.G.S. or Dads of Great Students. To find out more about these programs, please see the Cherry Valley website at www.cv.riverview.wednet.edu.

Our common goal is that Cherry Valley is a warm, welcoming and child-focused school where everyone is valued and respected. There is always a place for families and the broader community to invest time, energy and talents on the behalf of all our children. We invite you to join us in our efforts to make Cherry Valley Elementary the very best it can be!

Sincerely,
Darcy Becker
Principal

Supplies and Instructional Materials	46%
Contractual Services	49%
Office Support	4%
Capital Outlay	1%

Student Services

Cheetah Club

Cheetah Club is the on-campus before and after school age care program open to K-5 students from Cherry Valley and ERMA. As an enrichment based center, students have many opportunities to explore new areas of interest in a safe and nurturing environment with experienced district staff. Children play an active role in planning projects and activities. This helps to improve confidence, character and leadership skills. Students have numerous opportunities to practice teamwork, explore their creativity, learn empathy, develop multi-age friendships, and improve reasoning and conflict resolution skills. Club activities include Mad Science, Lego Masters, Artist Palette, Cooking Club, Star "Books" Café, Homework Club, Fit-n-Fun, Movie Club, Writers Block, Physical and Brainiac Challenges.

PTA

Cherry Valley is especially strengthened through its relationship with the Cherry Valley PTA. Each year, our active PTA organizes and coordinates hundreds of volunteer hours for activities such as vision and hearing screenings, Make a Difference Day, school pictures, the Back to School Bash, bingo and skate nights, the Cheetah Walk, and the Art Docent program. Cherry Valley PTA has an annual budget of more than \$40,000 to support programs, projects, and additional materials that enhance the educational quality of our students, like our new playground addition and after school enrichment programs.

Riverview's 2008-2009 Cost to Educate One Student for One Day \$51.52
