

Scripts are Available at Eagle Rock Multi-Age Program AND We Want You to Go Shopping!

That's right. WE'VE got a great new fundraising program but to be successful, we need you to shop at the grocer store, gas station – all the places you shop everyday. And the good news is you won't spend any more money than you normally would at these stores. Remember SCRIP for coach's gifts, teacher's gifts, birthdays or just a thank you for someone special.

All you do is your everyday shopping. Restaurants and stores you already frequent have agreed to donate a percentage of the amount you spend back to our program. This ranges between 2-25% of your purchase. Just think of the groceries and gasoline you buy on a regular basis. It adds up fast!

Using SCRIP as part of your daily routine will become an ongoing means of support of our program and your student at ERMA. We realize this will take some planning on your part, but with your support, this program can provide some excellent financial return. All monies raised will go directly back to the ERMA Parent Association Budget. What does this mean to your student: library books, author visits, art projects, water, and the list goes on.

Scripts need to be ordered by 3PM on Monday and you will have them by Friday. As the program grows we will be able to have some inventory on hand and you will be able to purchase your scrip right there on scrip day!
