Update on Room # 1 Activities:

June—Review of Year's Travels & North America

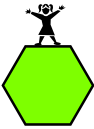

CREATIVE MOVES— The Duvall Art Show will feature Eagle Rock students, look for the artwork of Hunter Davis, Karena Mulkern and Callum Walker. The original pieces are displayed throughout the town. Congratulations to our great artists!

I AM LOOKING FOR ALL TYPES OF LEGOES FOR OUR CURRENT GEOMETRY UNIT DO YOU HAVE ANY TO DONATE TO ROOM 1?

Reader's Workshop- Book Clubs met to discuss new books and synthesize ideas on their reading. The class finished all the reading comprehension and grammar evaluations. Please continue reading every night. I highly encourage reading Janet Wong books; I would love to get multiple copies of Grump...please consider this title as my "wish list" for Room # 1. **Thanks**

Writer's Workshop Poetry focus this week is on naming, describing and action words. We wrote poems about the rainforest and the personification of a favorite animal. Each person has a new writing buddy. Janet Wong is a great poet and we are enjoying reading aloud Buzz while we get ready for Young author's week.

Mathematics—Students filled out surveys, for example would you rather build a house or build a boat and would you rather sleep for 2 years or jiggle for 2 years? We thank Mr. Hassebroek and Mrs. Martin for helping us with a wood project that involved many math skills! We discovered how challenging drawing a straight line can be and the importance of angles.

Science|Social Studies - Each child celebrated being proud about how our sunflowers sprouted! We are conducting several experiments where we placed seeds directly in the garden, then we place sprouted seeds into the garden as well as growing individual cups of sunflowers. We continued our study on the 4 layers of the rainforest.

Computers -Thanks to Mrs. King's help, students have been reviewing & learning computer skills on Wed.

Future : FAMILY WALL DON'T FORGET pictures of pets & extended family from each child please send in an envelope along with any donated legos. Thanks Calvin

June 5th-9th -Young Author 's Week & Scholastic Book Fair June 6th Book Fair 11:15 AM
