

Distribution of Materials to Students

Any nonprofit group wishing to distribute informational material to students must first submit, to the superintendent or designee, a copy of the material and a statement of the recreational or educational value the program provides to students.

Dissemination of the information does not reflect the district's endorsement or sponsorship of the activity. All materials distributed must contain the following statement:

“The district does not sponsor this event and the district assumes no responsibility for it. In consideration of the privilege to distribute materials, the Riverview School District shall be held harmless from any cause of action filed in any court or administrative tribunal arising out of the distribution of these materials, including costs, attorney's fees and judgments or awards.”

The district or the school will not distribute materials that:

- A. Are obscene, lewd, or vulgar;
- B. Are libelous;
- C. Contain language that is intimidating, demeaning, harassing or threatening on the basis of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, disability, marital or veteran status, including, but not limited to, racial, sexual, or ethnic slurs;
- D. Promote commercial enterprises;
- E. Promote the violation of existing laws regulations or ordinances, or official school policy, rules or regulations; or
- F. Proselytize or disparage religious beliefs.

The Executive Assistant to the Superintendent shall review and determine whether the materials are approved for distribution to students. Any further review shall be by the superintendent whose decision is final.
